This is a decision on the applicant's "Petition to Withdraw the Finality" filed under 37 CFR 1.113 filed March 6, 2007. The applicant requests that the decision to make the Office Action mailed February 22, 2007 final be withdrawn in that claims 4, 6 and 9 have not been twice rejected as the examiner did not consider them on the merits in the prior office action.

After a careful review of the file, the petition is hereby **granted**.

The application is being forwarded to the Examining Corps whereupon a new non-final office action will be forthcoming.
